Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments:

The examiner contacted counsel to try to come to agreement for correcting entries on submitted form 1449 since no dates were entered for references C1-C11, references C2 and C5 cited pages 65-69, but the provided pages for those references did not correspond to the pages cited and references C4 and C10-C11 were illegible. Counsel stated he would review file and return call with data, if any, for entering corrections.
